

INSTRUCTIONS FOR Crash Cart Box Dividers (#1881)

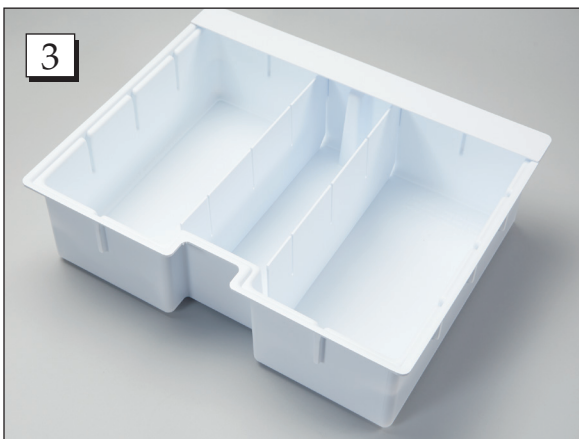

Divider Kit includes three sizes of divider strips; two small, two medium and three large.

Step 1. Insert the two short dividers into the box slots near the middle indentation.

Step 2. The "U" shaped slots on the dividers should be facing up.

Step 3. Two short dividers are in place.

Step 4. Insert the two medium dividers into the box slots on each side of the short dividers.

INSTRUCTIONS FOR Crash Cart Box Dividers (#1881)

Step 5. Insert the three long dividers into the “U” shaped slots of the shorter dividers. The “U” shaped slots of the long dividers should face downwards so that the slots “nest” together.

Step 6. Box will look like this with all dividers in place.
