

INSTRUCTIONS FOR Installation of Crash Cart Dividers (#1880)

Divider Kit Includes three sizes of divider strips.
Two small, two medium, and three large.

1. Insert the short dividers into the box slots near the middle indentation. The “U” shaped slots should be facing up.

2. Insert the medium dividers into the box slots on each side of the short dividers.

3. Insert the long dividers into the “U” shaped slots of the shorter dividers. The “U” shaped slots of the long dividers should face downwards so that the slots “nest” together.

4. Box will look like this with all dividers in place.
